Common Ingredients of Marseille Olive Cleansing

Eco-cert Certified.

100% Extra Version oil from France Marseille (Premium quality)

France Marseille Region is known for high quality olive oil production. Their product has ultra high antioxidant power and excellent for skin nourishment. Its high vitamin E and C contents delays aging process, promotes firming and prevents wrinkle formation. It also has blackhead removing properties. Therefore skin is thoroughly cleaned without dry after feel.

Special Hydrating Ingredient, 'PTMA Oligomer!'
Extracted from Sea Grape, which is called as 'Green Caviar.'

Packed with various mineral, vitamins and fibers, PTMA Oligomer clarifies skin tone, prevents free radical damage and discharges waste from the skin. The mucus in its grains retains high amount of moisture and shows amazing ability to heal and renew damaged cell.
